are quite safe. So do try and come home. About the money I have not received it. This is the letter I am enclosing that I received from the General Post office, so you see that the money was not put in. I also want to tell you that one of the girls that used to work for me has gone to Memphis, and I have given her Morris's adress, also a letter from us to you, so if you see her she will tell you all

My Dear Father,

Just a line in answer to your letter. Am pleased to hear that you are well. But I feel upset to think that you are not happy. If you could get the money from Morris to come home, you ought to try and do so, as I think the American boats now

the news. Everything here is just the same, we have had a lot of trouble lately. Sarah has been in the hospital for 3 weeks, and a week after she came out, Raphy went in the hospital. He has been very ill, and had an operation for appenticitis. Thank God he is out now, but of course he cant walk, & is still very quiet. Eliza has been up to join, & has been rejected, so you see I have had plenty of trouble. Work is at a standstill, nothing to do. I had a letter a few weeks ago from Jetta. I dont think I have anything else to write, otherwise everybody is quite well. I will now draw to close hoping to hear from you by return, and try and come home as soon as possible. Love from all the children, Mrs Ewing daughter to Joe and yourself. Rachel & Samuel
